

WOODSTOCK
ARMCHAIRS

DESCRIPTION

Structure in solid beech wood dyed matt Dark Wengé, turned and worked with a numeric control system. Tips in brass, polished or with Brushed Dark Bronze finishing.

Under-seat frame in iron with elastic webbing that guarantees springiness.

Seat in variable thickness high density expansive polyurethane foam, quilted with buttons on the surface. Upholstery in fabric or leather from the collection. Mattress-style piping in fabric or leather from the collection.

Roll cushions in variable thickness high density expansive polyurethane foam, with internal structure in iron attached to the under-seat frame with a screw and bolt system. Upholstery in fabric or leather from the collection. Piping and edge with button in fabric or leather from the collection. Double frill decorative tassels in silk, in colours matching with upholstery fabric.

Back in multilayer wood and variable thickness high density expansive polyurethane foam, attached to the base on the under-seat frame. Upholstery and piping in fabric or leather from the collection.

Back cushions in goose down. Upholstery and piping in fabric or leather from the collection.
