## DINING TABLE

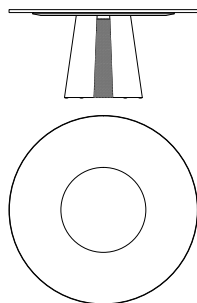

An imposing table of ethnic inspiration. The structure in glossy dark wengé with spatula finish lends the table a rough effect while the top characterized by the presence of an ox horn inlay recreating a mosaic pattern reminds of the Mesopotamian decorative themes. The original two legs base reveals in the inner part a rich and precious upholstery with the iconic fabrics of the 2019 collection.

Structure in wood with glossy dark wengé spatula finish. Top with ox horn inlay decoration. Bases with inner upholstery in fabric cat. A Wodabe col. 1 Rust.

*Other finishings available upon request from Etro Home Interiors collection.*
