

ALEPPO

BOOKCASE

Contemporary design and decorative spirit for the Aleppo bookcase, characterized, in the central spine, by a horn inlay recreating a mosaic pattern, reference to the decorative theme of the Mesopotamian world and to the ethnic spirit that distinguishes the Etro Home Interiors world. On the shelves and along the central wall, the rough effect of the new spatula finish is enhanced by the bronzed finish of the profile.

Structure in wood with glossy dark wengé spatula finish. Shelves in wood with glossy dark wengé spatula finish with profile in bronze wood. Central spine with ox horn inlay decoration.

Other finishings available upon request from Etro Home Interiors collection.
