

AXUM

CENTRAL TABLE

A nomadic inspiration reinterpreted in an ethnic key. The African atmosphere is present in the matte finish of the dark wengè wood, in the polished brass rings reminding the jewels of the African tribes and in the warm colors evoking the dry lands of the savannah. The Paisley motif on the fabric is connected to the deepest DNA of the brand contributing to create a wonderful piece of furniture in perfect Etrò Home Interiors' style.

Structure in matte dark wengè dyed wood and details in polished brass. Top covered with fabric cat. A Zulu col. 1 Tobacco and glass.

Other finishings and upholsteries available upon request from Etrò Home Interiors collection.
