

DINKA

SIDE TABLE

The leather with Etro logo embroidery is one of the main features of the Dinka table. The African inspiration is present in the matte finish of the dark wengé dyed wood, in the polished brass rings reminding the jewels of the African tribes and in the warm colours evoking the dry lands of the savannah.

Structure in matte dark wengé dyed wood with details in polished brass. Top in leather cat. A Cuir col. 1 Cherry with Etro logo embroidery.

Other finishings and upholsteries available upon request from Etro Home Interiors collection.
