

FONDA 2

BOOKCASE

This new version of the Fonda bookcase, characterized by an alternation of open and closed shelves, is the result of a game of colours, materials and contrasts. Thanks to its strong decorative appeal, this scenographic bookcase is a unique piece of furniture that immediately catches attention.

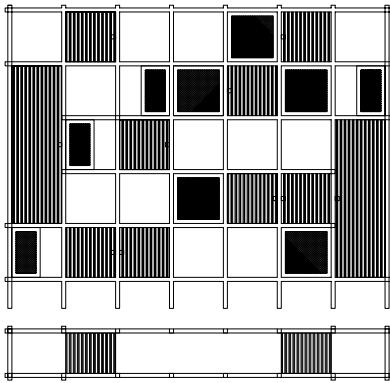

Structure in polished brass. Shelves in bronzed glass. Back panels in dark wengé dyed wooden frames with Cherry Red lacquered cane. Cases in wood upholstered in various fabrics from the Etro Home Interiors collection.

Other finishings and upholsteries available upon request from Etro Home Interiors collection.
