

# HAMAR

## ARMCHAIR

Eclectic and versatile, the armchair of the Hamar line combines the exotic vibrations of the rattan and the African suggestions of the brass rings that recall the jewels of indigenous tribes. The matt dark brown dyed wood structure confirms the ethnic mood, while the sand fabric upholstery lends the seat a sophisticated and delicate charm. The armchair is perfect for decorating verandas and winter gardens, adding an elegant and comfortable note.

Armchair with structure in solid beech wood, turned and worked with a numeric control system, finished with matt dark wengé dye. Brushed dark wengé dyed rattan attached to the structure. Closure piping in wicker in same colour as caning.

Decorative fixed rings on armrests composed of two pieces in polished cast brass.

Seat in multilayer wood and variable thickness high density expansive polyurethane foam.

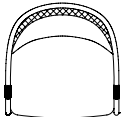

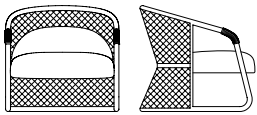

External cover in outdoor fabric cat. A Trika Alfresco col. 1 Sand.

Back cushion in variable thickness high density expansive polyurethane foam. Removable external cover in outdoor fabric cat. A Trika Alfresco col. 1 Sand.

All of the upholstered parts are internally lined with resin coated polyester coupled with hypoallergenic white cotton canvas.

Brass tag with certified "100% Made in Italy" serial number attached.
