

SHAH

ARMCHAIR

Shah is a welcoming and evocative armchair that celebrates ETRO Home Interiors' eclectic soul. The ethnic inspiration, already present in the name that refers to the kings of the Persian tradition, is found in the cushion resting on the seat, recalling the Ottoman poufs, in the essential lines of the dark wood structure and in the velvet upholstery. The institutional character can be found in the detail of the Pegasus, historical symbol of the brand, applied on the back. The silk tassels on the seat cushion add a classic twist, confirming the versatile personality of the armchair.
