

# TEBE

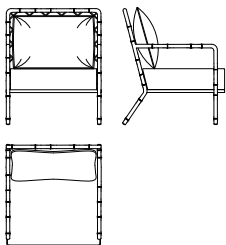

## ARMCHAIR

The Tebe armchair is characterized by elegant and light lines, enhanced by the slender brass structure in which the natural element of the bamboo cane returns. The upholstery in the new outdoor fabric with tropical design adds an exotic note to the whole, in line with the carefree mood of the new veranda setting.

Armchair with structure shaped like bamboo canes obtained through handcrafted hot working metal process, brushed dark bronze brass (varnished with multilayer hand-applied patina finishing). Seat with structure in multilayer wood and variable thickness high density expansive polyurethane foam covered with resin coated polyester coupled with hypoallergenic white cotton canvas.

External cover in outdoor fabric cat. A Selva col. 1 Tropical. Backrest cushion in goose down covered in white 100% cotton featherproof fabric. Removable external cover in outdoor fabric cat. A Selva col. 1 Tropical. Brass tag with certified "100% Made in Italy" serial number attached.

*Other finishings and upholsteries available upon request from ETRÒ Home Interiors collection.*
