

WOODSTOCK 2

MODULAR SOFA

In the new edition Woodstock sofa, re-elaborated in a modular version and without fees, the mattress-like conformation of ethnic inspiration, recalls the "Majlis" environments - literally "place where one sits" - belonging to the Arab tradition. The Afro mood of the 2019 collection is found in the warm colors of the new fabrics reminding the dry lands of the savannah and in the details in polished brass reminding the jewels of the African tribes.
